# Cherry Creek Vista II Park Redesign Planning Survey 2016

www.ccvprd.org \* email contact: sees@ccrider.us \* 303.482.1002

**ABOUT THE PROJECT:** In Spring 2016, the district was awarded a grant to plan the revitalization of the Vista II Park.

Cherry Creek Vista II Park is located at 5684 S. Lansing Court, Englewood, CO 80111.

**ABOUT THE PARK:** The park currently has a playground, basketball court, 2 tennis courts, grass field, pathways, benches and a number of mature shade trees. Some of the equipment needs updating or replacement. There are three access points and pathways running throughout the park. The planning team values your input to help in creating a revitalized park for the whole community!

Thanks to our partners: Arapahoe County Open Space, for its grant funding this planning process, Cherry Creek Vista II HOA for the transfer of the park to the District, and to the park planning professionals and community members for making the park revitalization possible.

Please take a moment to help us with the planning process by letting us know what is important to you.

Please visit our website at [ccvprd.org](http://ccvprd.org) for a link to complete this survey online, or to print a copy of this form. Feedback will be used to help design the park!

Completed surveys can be emailed to: [sees@ccrider.us](mailto:sees@ccrider.us), or mailed to: Cherry Creek Vista Park and Recreation District, P.O. Box 4610, Parker CO 80134.
