On behalf of the Board of Directors and constituents of the Cherry Creek Vista Park and Recreation District, I would like to thank you and the Landmark Metropolitan District for passing Resolution 2013-10-3, which therein designates the Cherry Creek Vista Park and Recreation District as recipient of any remaining funds due to the dissolved District. Cherry Creek Vista has and will continue to graciously accept these funds and utilize them to the benefit of its residents.

Your service as Board Members and Manager for the Landmark Metropolitan District has benefitted both our Districts. Please accept this formal recognition, which will be included in future correspondence to our District's residents and posted to our website.

Sincerely,
The Board of Directors
